1991-1993: Conferentiar

1975-1991; Sef de lucrari

1969-1975: Asistent univertsitar

-Subjects taught: Electrical Engineering Materials, Insulation Systems, Superconducting ans Cryogenie, Magnetization Processes, Emergent Materials;

- Doctoral thesis advisor since 1990;

- Head of the “Insulation Systems and Materials” laboratory, Politehnica University, Bucharest, Romania;

- Director of the „Electromechanical Power Conversion Equipment” Scientific Research Center

- Vice-Dean of the Electrical Engineering Faculty within the “Politehnica” University of Bucharest

1971 - 1983

Ph.D

Contributions to the study of the stress of insulating materials of electrical equipment

1964 -1969

University “Politehnica”, Electrical Engineering Faculty, Bucharest, Romania

EDUCAȚIE ȘI FORMARE

COMPETENTE PERSONALE

- Teaching (9 books published);
- Research on electro insulating materials behavior in high electric fields, insulating systems degradation and lifetime estimate, composite materials, monitoring of electrical equipment, quality of power (340 papers published in various magazines and conference proceedings;
- Academic advisor (15 doctoral thesis presented in Romania and co-advisor for 5 international doctoral thesis);
- Conception, design and implementation of equipment for the diagnosis and monitoring of electrical machines and transformers

- In charge of Cooperation Agreements concluded between the Electrical Engineering Faculty of "Politehnica" University and Seville University, ISTG Grenoble, Université Montpellier 2, and IUT Angoulême respectively;
- I have been involved in the EU standards implementation process in Romania as President of the Romanian Fluids Standardization Technical Committee for electrical engineering applications, as well as a member of the Romanian Standardization Technical Committees for Power Condensers, Insulating Materials, Non-insulated conductors and Electrostatics.
- President of the Impartial Commission of ASRO SMM-OC;
- Member of the following professional associations : IEEE, CIGRE, CER, Romanian Electrostatics Society, Magnetic Materials Society;
- - President of the Romanian National Committee of the Francophone Business Forum (CNRFFA) and Vicepresident of the International Bureau of the Francophone Business Forum;

Premii

2010: CNCSIS Prize for Research Articles

2009: CNCSIS Prize for Research Articles

2007: James Marcher Award of the IAS/IEEE Electrostatics Processes Committee

2003: IEEE Industry Application Society Prize

1993: Constantin Budeanu Award of Romanian Academy

1992: Prize of the *Société Française du Vide*
